DIVINE DESSERTS

Chocolate Lamington ★ £4.95

Named after Lord Lamington, Governor of Queensland at the turn of the 20th century, this quintessential Australian dessert has conquered the world. For our version we lovingly coat chocolate brownie in chocolate sauce and flakes of coconut. We then lash on whipped cream and raspberry coulis.

Baked Vanilla Cheesecake £4.95

A classic baked cheesecake served with juicy raspberries and a sweet, sticky raspberry coulis.

Chocolate Brownie £5.25

A warm chocolate brownie served with vanilla ice cream and chocolate sauce. Who wouldn't?

Summer Fruit Pavlova ★ £4.95

Who came up with this first – Australia or New Zealand? The argument still rages. What is certain is that the dish was dedicated to Russian prima ballerina Anna Pavlova when she visited in the 20s. We take a meringue base and top it with lashings of whipped cream, fresh berries and raspberry coulis. How delightfully decadent.

Ice Cream £3.45

Served simply with a drizzle of chocolate sauce.

Dessert Platter ★ £11.95

A selection of our favourites, perfect for sharing or if you can't make up your mind. Chocolate Lamington, Summer Fruits Pavlova and Vanilla Cheesecake served with vanilla ice cream and chocolate sauce. Nice.

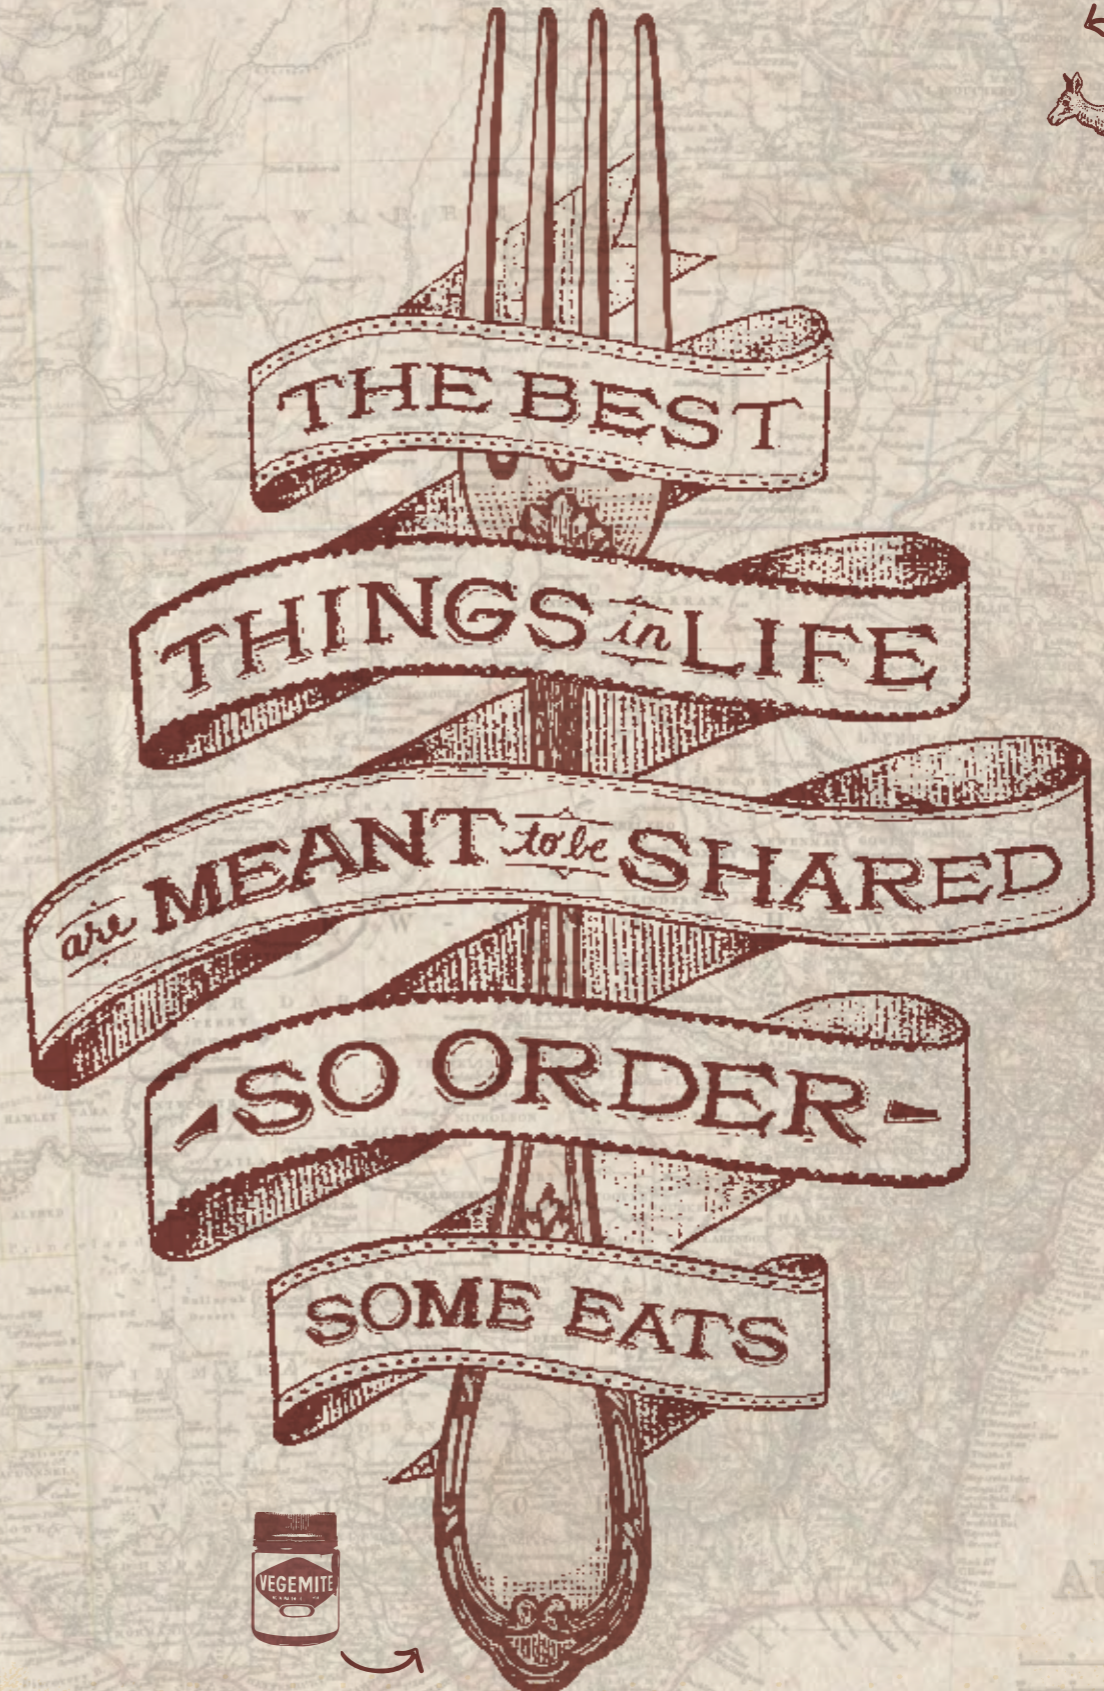

All of our kangaroos bound in the Queensland bush before they come to Walkabout

It goes without saying that our Vegemite is made in Australia – Port Melbourne, to be precise
